

Jerry And Julie

[DOWNLOAD HERE](#)

Thomascows own version Jerry and Julie a couple who hung about Bangor for years, Jerry came from Crumlin Country Antrim and Julie from Aberdeen, where they met. After one week they where married and they love each other dearly, I could write a million stories about this pair, Jerry was a primary school teacher in Crumlin, and strongly modelled and advertised for Carlsberg Special, in her spare time she exhibited herself for Oxfam, on the clothing side. They were both great pavement artists, Julie had the greater talent in this department. They were both very tolerant and liberal as they both shagged about, but stayed together. When they where on the rap which was every day, Julie could always bring in more than Jerry, but Jerry would always say with a twinkle in his eye that he held the purse strings, always hiding the money below the soap where Julie never looked.
