

Mp3 Boy Noises - Boy Noises

[DOWNLOAD HERE](#)

Boy Noises makes an art from the simplest of sounds, twisting them until they scream. Garnering influences from Garage Rock, New Wave, and Noise Pop mixed with the sweetest most saccharine synth perversion your ears have ever tasted. 10 MP3 Songs in this album (22:22) ! Related styles: POP: Power Pop, POP: New Wave People who are interested in The Thermals Jay Reatard The Black Lips should consider this download. Details: Omaha does it again! The band that's got everyone talking (for better or worse!). Boy Noises makes an art from the simplest of sounds, twisting them until they scream. Garnering influences from Garage Rock, New Wave, and Noise Pop mixed with the sweetest most saccharine synth perversion your ears have ever set their lips upon. Wait...ears have lips? When it comes to Boy Noises, the answer is a resounding, "Yes!". The final result is a concoction that is not wholly unfamiliar yet strangely unique. Waves of sound plunge your body into an ocean of pixie stick soda. Swim in it- drink from it- feel the colorful surge gyrating inside your pores. As your hips begin to shimmy and your lips spit sugary melody, you'll know that your rendezvous with Boy Noises was worth every moment.
