

Mp3 Carl Lockett - All About The Music

[DOWNLOAD HERE](#)

Exciting smooth jazz with flashy guitar playing that would make George Benson proud. 7 MP3 Songs
JAZZ: Smooth Jazz, EASY LISTENING: Mature Details: Carl Lockett has been the featured guitarist with
Chuck Mangione, Jimmy Smith, Hank Crawford, Jimmy McGriff, Merl Saunders David Crosby just to
name a few. This guitarist will wow you with his playing. His simple melodies lead to complex soloing but
he never leaves the listener far behind. It is a pleasure to hear him play and he fits into any situation
perfectly. From bebop to smooth jazz he covers them all. This album features him on guitar synth as well.
If you like guitar, you will love Carl Lockett. You can read more about Carl at the unbeaten tracks artist
page under Tony saunders.com Carl Is also featured on the 2004 release M.R.L.S called "Jazz ala Soul".
That CD is also available at Cd Baby.
