Yuletide stylings from a Texas guitarist, singer, and songwriter who shows his love of everything from Hendrix to Haggard - it adds up to a one-of-a-kind Christmas experience. 12 MP3 Songs ROCK: Roots Rock, POP: Quirky Details: That silver twinkle under the Christmas tree isn't tinsel... it's a new CD of Yuletide hits from Colin Boyd. Tastier than a cookie sheet full of gingerbread men, this instant classic includes his signature spin (heralded by the Dallas Observer in its 2000 Best of Dallas issue) on "The Little Drummer Boy," "The First Noel," "Santa Claus is Coming to Town" and "White Christmas." These standards are rounded out by Merle Haggard's honky tonk holiday hit "If We Make It Through December," Kevin Hopkin's sweetly sentimental "Charity," and Brent Mitchell's never-before-recorded "Prodigal Son." Finally, the lovely and talented Donna Lake joins the Colin Boyd Band to sing Monte Warden and Mas Palermo's new "All I Want for Christmas is a Kiss." For that little extra stuffing in your stocking, Christmas with Colin offers three year-round favorites, "Genie in a Bottle," "Girl of My Dreams," and Colin Boyd and Matt Idding's own "I Paid the Price." So don't delay.... Get Christmas with Colin Today!
