Sassy, horn-driven blues rock with touches of rockabilly and swing and even a bit of jazzy blues vocals. 9 MP3 Songs BLUES: Rockin' Blues, ROCK: Rockabilly Details: Deadwood's second CD chews on some blues (Halfway There, Cadillac Assembly Line), bites off some rock and roll (Louise, She Done Gone), savors some swing (I Turn the Wheel (and My Baby Pumps the Gas)), and digests some mixed genre salad (Outside Lookin In, Hackin at it, I May Be Wrong). Seven Deadwood originals plus covers of Albert King and Tony Joe White, featuring the mighty Malcolm Brown's Wall of Horn. For five long years Deadwood has fanned the blues flame in hot pursuit of mission number one -- to make life in Northeast Missouri worth living. Can I get a witness?
