Contemporary Pop with a smooth Jazz and R&B feel. 6 MP3 Songs POP: Today's Top 40, JAZZ: Smooth Jazz Details: According to Grammy award winner Claytoven Richardson "It is rare these days to find a voice that is so original and pleasing." Listen up and judge for yourself. DG is not only a song stylist but as a song writer, wrote the hit song "It's September" recorded by Johnny Taylor on the CD "Chronicle: The Greatest Hits" Available on Fantasy records. If you're a fan of the Detroit Motown scene; he also penned along with another writer "Highway to Heaven" recorded by The Dramatics. DG got his start as a music professional as a member and one of the lead singers for the explosive and Billboard charting Detroit singing group "The Precisions". A dear friend and brother in spirit to Power House "Spyder Turner" DG has been schooled by the best in the business. A veteran of stages across the country including the world famous Apollo theater in New York; DG knows how to deliver the goods. You however are the ultimate judge. Take a moment and indulge yourself in this musical labor of love. You'll want this one for your very own! M. Ariones - San Francisco music critic
