

Mp3 Eric Cutshall - Banjo On My Knee

[DOWNLOAD HERE](#)

Let this CD transport you back to the 1800's as you hear a story told by music that features Old Timey banjo, guitar, fiddle, harmonica, and vocals. 13 MP3 Songs COUNTRY: Old-Timey, FOLK: Minstrel Details: I invite you to leave your present life and venture back in time as we take a musical journey in the 1800's. This CD is a story told thru music and is best when listened to from start to finish. Original songs are mixed in with popular songs from the 1800's to tell the story of a banjo player's life and musical journey. Many subjects and events are explored thru music including Pioneers, cattle drives, the old west, and Minstrel shows. Instruments include banjo, guitar, fiddle, harmonica, accordion, mandolin, bones, and vocals. If you enjoy Old Time country, folk, and string band music with a story and some history thrown in then this CD is for you. Eric Cutshall is a songwriter and musician who grew up in a musical family. He plays several instruments and enjoys playing a wide variety of musical styles. Other recordings featuring Eric will be available soon on CD Baby.
