Hard rock with melodic choruses and solos - A UNIQUE song writing style not seen or heard to often these days .uncompromising and not led by other influences or FM radio or the POP TV generation , and does not give in to fads. NEW material will be HEAVIER 9 MP3 Songs ROCK: Progressive Rock, EASY LISTENING: Soft Rock Details: fallen isis - covers many years of experience..although this band is a new band..the time spent playing in other bands covers more than 25 yrs. principal song writer michael .j.travers...sick of the covers band scene , descided to form fallen isis to do only original material in many varied rock styles.. with the intent not to confuse the audience , but to let them enjoy a good musical road trip.. good rockin tunes.. great soloss ,, longer songs . great positive lyrics . theres just too much gloom and doom angry music out there.. not generally interested just making a dollar for a dollars sake. but to give people back listening pleasure.. with the feel of classic rock but with a modern feel,, hopefully not to date but to last. the energy of the band and music live or recorded is live vibrant and always ready to surprise the listener with a new twist. the music is honest good hard rock..just listen and enjoy. Michael.. is also a seasoned writer of guitar tuition book styles and technique.with many local (Australian) and worldwide sales.he is also a teacher of guitar-bass-keyboard-mandolin-banjo. Fallen Isis is having excellent chart succes on mp3.com.au reachinng #1 position a few times and is still high in the top 10. Fallen Isis is developing a huge fan base around the globe daily.with steady sales to their credit.a new album and new fan club are happening right at this moment. with critical reviews from all points of the earth. check out this from DVD MAGAZINE in BRAZIL.." created by multi-instrumentalist Michael j.Travers , the Fallen Isis, is a band from Brisbane Australia , could be taken for another Evanescence wannabe (female vocals , gothic themes etc.) the big difference is that the FI grabs with all of its talons all the best influences of the classic rock from Jimi Hendrix and Led ZEPPELIN, and refuses to let go . its

the kind of rockin band that does not make concessions to FM stations or the MTV. FROM their GREAT debut album.are great tracks like " THE DAY THE EARTH STOOD STILL " a tribute to all the 9/11 victims and their families and all other good people .and " JOURNEYS END" . plus many many more excellent and unique songs..no two songs are ever the same. Fallen Isis has accomplished reviews in BARIKADA Magazine in SERBIA MONTENEGRO " THE combination and approach of their vocalist Samantha Adams and writing song style is exotic.' SOME fans comments " WOW what an awesome unique sound you guys got and come up with .Truly mind-blowing..i want MORE !!!" from KYLIE. Excellent interviews can be found in NUCLEUS MAGAZINE in Argentina. Their live shows are VERY exciting and Vibrant and fresh. their writing and topics are current and to the point with positive and thought provoking content. LONG LIVE THE -FALLEN ISIS-
