If you like "traditional country music", you will love Gene Travis. From love songs to two-steppin', the real country sounds of this cd are for you. 8 MP3 Songs COUNTRY: Traditional Country, COUNTRY: Modern Country Details: Every once in a while a country artist comes along that you just have to sit up and take notice of. Such is the case with Gene Travis. With an ache in his voice and the purest of emotions, Gene delivers his message loud and clear as he keeps the torch of "traditional" country music alive in the hearts of all country music enthusiasts. There is nothing fake about Gene Travis, what you hear is what you get. A strong commitment to writing what he feels and delivering it with the raw emotions of someone who has lived what he writes. Gene has been keeping the "tradition" alive most recently by co-writing with some of Nashville's best traditional country writers. Gene and Mack Vickery (The Fireman Jamestown Ferry) wrote, "If You And I Were Cheaters", Gene, Earl Clark,(Alibis) and Jimmy Frizzel wrote, "Legends", and Gene and Troy Martin(Baby's Gotten Good At Goodbye) have written several in the past 3 months.
