GOODBYE BLUE MONDAY carefully pieces together dramatically contrasting moods, blending the organic sounds of guitar-driven indie-core with an extraterrestrial take on songwriting. 10 MP3 Songs

ROCK: Noise, ROCK: Progressive Rock Details: GOODBYE BLUE MONDAY carefully pieces together dramatically contrasting moods. They blend the organic sounds of guitar-driven indie-core with an extraterrestrial take on songwriting. Oddly melodic vocals are delicately woven into plush layers of guitar and bass. Intricate rhythms and dynamic u-turns lead the listener from peaceful moments of sonic tranquility, to destructive explosions of distortion and drums. After shows with No Knife, Hot Hot Heat, Black Heart Procession, and Blonde Redhead, GOODBYE BLUE MONDAY is ready to make a name for themselves as headliners. A dramatic live show, two San Diego Music Awards nominations and a searing new record are close to giving them just that.
