KIDS/FAMILY: Children's Pop, KIDS/FAMILY: Kid Friendly Details: Here's what Parents choice says about We're On Our Way: Teddy bears, tooth brushes, trips to the library - the subjects of these eleven songs are long on child-appeal and near and dear to parents' hearts. A variety of styles keeps the album fresh and fun, from the 40's swing-band sound of Tiger with a Toothbrush, to a boogie-woogie Teddy Took a Train Ride, to a country western Truck Driver's Song. Several are truly inspired: Tina Took Her Tap Shoes manages to rhyme "soft shoe" with "tofu", while Partytime in the Mud could send young and old alike out to get down and dirty. A production for parents and children to listen and relate to with pleasure.
