With interesting melodic and vocal hooks, Isaac shows that he has an ability to write and play in a style that avoids the ordinary and the cliché. He very much writes and plays from the heart and comments from his fans support this claim. 12 MP3 Songs ROCK: Acoustic, POP: California Pop Details: Isaac Hayden is a twenty-four year old singer/songwriter from Jackson, Wyoming. Isaac has just released his first album entitled "Perfect Accident" which was released by Capsicum Music on June 17, 2005. Isaac has been singing from an early age in school productions, church, and as a teenager at parties and get-togethers. Isaac has developed an informal yet compelling performance style his fans compare to Dave Matthews, John Mayer, Jack Johnson and Tracy Chapman. With interesting melodic and vocal hooks, Isaac's playing and writing shows that he has an ability to write and play in a style that avoids the ordinary and the cliché. He very much writes and plays from the heart and comments from his fans support this claim. Throughout the summer and fall of 2004, Isaac worked with producers Noah Waldron and Kent Nelson on an album of his songs entitled "The Perfect Accident". This album effectively showcases Isaac's skills as a recording artist with songs recorded solo and with a band. It is available online at cdbaby.com. In the summer of 2004, while recording his album, he played several local Jackson, WY clubs (Sidewinders the Shady Lady). While wintering in Florida he's played The Warehouse and Gil's Tavern in Tallahassee on a regular basis. In February and March 2005 Isaac debuted songs from his album on MySpace with excellent response (over 30,000 plays in 3 months) from MySpace's 18 million listeners. Isaac's "Float" hit #1 on the MySpace Pop charts with the Most Plays. His songs "Break This" and "One More" both made it into top 10 Most Played Pop songs.
