elements of Beck, Goo Goo Dolls, Bowie, the Beatles, and the best of indie pop in a sonic blender 10 MP3 Songs POP: Today's Top 40, ROCK: Funk Rock Details: Jefferson Denim's "RADICAL NEW THERAPY" is like mixing together elements of Beck, Goo Goo Dolls, Bowie, the Beatles and the best of indie Pop in a sonic blender, and then letting the concoction wash over your senses. Very cool stuff! Gunther G. from The Global Muse calls Jefferson Denim "a truly spectacular talent in songwriting and singing" and film director David Latt describes him as "a powerful combination of intelligent writing and amazing sounds." Jefferson's music has been featured in MTV's "Undressed" "Road Rules," Discovery Channel's "Outward Bound," the PBS series "CD Highway," as well as the films "No Rest For The Wicked," "Soul Mates," and the made-for-HBO "Wildflower." Get yourself a dose of RADICAL NEW THERAPY. It'll make you feel sooo good!
