Music for relaxation and meditation Very peaceful performed on Steinway concert grand pianos Gentle Flowing Beautiful Profound 5 MP3 Songs NEW AGE: Meditation, CLASSICAL: New Age Details: Joe Oliva born in Santa Monica, California 5/11/51 Studied music at U.C. Berkeley Piano teacher for many years in Santa Monica Member of Los Angeles Master Chorale Performed in Hollywood Bowl, Dorothy Chandler Pavilion etc. This is a good CD to put on softly in the background to bring a peaceful environment. It is dreamy piano music. The melodies are subtle and constantly changing so they will not intrude or overpower your true self. Testimonials regarding the CD "AFTER THE FULL MOON" "soothing and comforting...helps me to remember to breathe and relax....amazing talent!" "brought me peace and relaxation" "it sounds beautiful...really really nice" T.W. Los Angeles "I have listened to it constantly this week" "I played your incredible CD at school. It was amazing. The class was suddenly relaxed, focused and quiet. WOW! The power of music." L.K. Salt Lake City "This music really fills a need I have for music that lets me think and pray; for when words (or even definite melodies) get in the way." Beth in Los Angeles "It has it's own unique quality and beauty. The thing I look for in such music is the music's ability to not only relax someone but also transport the mind to a place of deep "letting go". your CD has that and more!" Lee in Los Angeles "This music is wonderful." Ethel in Los Angeles "I love it. Absolutely fantastic....I immediately went into deep meditation listening to this CD."
