Think George Winston or Yanni... But different. Refreshing, original piano solos combined with unique arrangements of traditional Christmas music... One reviewer says: This is the only CD I ever listen to in my car. 8 MP3 Songs NEW AGE: Neo-Classical, CLASSICAL: Piano solo Details: With the cadence of white winters wisping winds, this album will carry you away on the notes gentle updrafts and downdrafts. The notes scurry along like squirrels in the snow, leaving gentle impressions that are softened by waves of harmonic overtones. Listen! You might like it . . .
