The music on this c.d. is a combination of blues, pop and country with a lot of fun love tossed in. Comparisons have been made to several other singers, including Barbra Streisand, Patsy Cline and Etta James, as well as Nina Simone and Patty Loveless. 16 MP3 Songs BLUES: Blues Vocals, POP: with Live-band Production Details: I was born in the tiny town of Garberville, California, moving to the San Francisco Bay Area as a teenager. Ive spent my whole life listening to all types of music and singing my heart out. Many years went by before I have finally realized that I wasnt going to be discovered while driving in the car, singing loudly to the radio! So, I started singing in various variety shows and local musicals and am just beginning my career as a nightclub singer. This c.d. is a work of love and a dream come true for me. I put my heart and soul into it and I truly hope you enjoy it!
