Kenny Kasman / Composer Songwriter; uses Specialty Ibanez Jackson Electric Acoustic Guitars, Electric Fender Mandolins, Percussions, Yamaha CS1X Synthesizers, and Roland VS Digital Recording Technology with something special in mind. His musical Goal is to Master each song to it's most radiant listening potential. Growing up with Pink Floyd, The Grateful Dead, Allman Brothers, Jimi Hendrix, and Aerosmith influenced and helped shape The Kazmanix composing style you are now hearing! The KAZ carefully pans, and equalizes, each Recorded Track to a different headphone stereo frequency. Your ears will be in for a treat, especially if you use Headphones! The Alessis SR-16 Drum professional performed Magic, utilizing 3 Incredible Drum Kits to record on. The Kaz performed all the instrumentation AND then adds enhanced Bongos, Percussions, and Cymbals to envelop the entire Drum Mixture! You get a professional Sound Mix in your Home Stereo or Headphone Set. This CD is Absolutely Enticing. Always expect the Best Instrumental Music from The KAZMANIAX! Stay in touch, drop an email. We Love hearing from Musicians and Independent Music supporters. Please add DOIN' TIME to your Shopping Cart! DOIN' TIME delivers pure Instrumental enjoyment.
