

## Mp3 Kyler - If The World Would Just End

[DOWNLOAD HERE](#)

Poignant, introspective acoustic pop rock with sultry vocals. 12 MP3 Songs ROCK: Acoustic, POP: 90's  
Pop Details: Uncertainty of the future and fear of what it may hold inspired the title track of Kyler's second album "If The World Would Just End." Released on the cusp of a new millennium in March 2000, this collection of 12 poignant and compelling songs addressing everything from new love to death to independence is timely yet timeless. Kyler draws you in with a voice that has been described as alluring, sultry, and thick as molasses, and holds you captivated with her sincere and powerful lyrics. Her nomination for a 2000 Kahlua Boston Music Award in February 2000 for Outstanding New Singer/Songwriter confirms what fans already know: Kyler's future shines brightly. Kyler currently lives in the amazing city of New York but misses her most recent stomping grounds, Boston, and her true home, North Carolina. Check her website for regular performances in all places!
