Songs about Health, Animals, History, Self-esteem, Friendship, Nature. Musical fun for all. 21 MP3 Songs

KIDS/FAMILY: Kid Friendly Details: A 49 minute visit to the world of song and heart. Friendship and sharing the warmth of a song with messages to allow a young child to embrace feelings and connections.

Connections between people, animals and nature magically connected by multi instrumentalist Denny Osburn, the brilliant guitar playing of Max Berry and the zany animated virtuosity of Michael Oshiver and his harp plus many other talented artists. This CD created by "Miss Jackie" Silberg develops literacy through active participation. The songs teach alliteration, rhyming, and alphabet skills plus the marvelous wonder of words. Jackie Silberg is an internationally known writer of books for parents and teachers of young children plus hundreds of songs sung worldwide. She has won many awards including Parent's Choice, Dr. Toy, NAPPA, and Early Childhood News. This CD encompasses a variety of rhythms including rock, polka, waltz, patriotic and more.
