Dad, Mom, 5-yr-old daughter, and 3-yr-old son. We've had it for 3 years and always go back to it as one of our favorites. It has the singer from the Bee Gee's - this is awesome and totally not babyish, but super fun songs. You'll LOVE this CD, guaranteed! I've purchased it for a few of my friends for their kids and they agree that it is one of their favorites as well. I hope they make another one soon! By M.
