This CD is an original spoken word with inspiration and motivation from my spirit to yours. 8 MP3 Songs  
SPOKEN WORD: Poetry Details: Saida is a performing vocalist. In addition, she kept a daily journal since she was of adolescent age. Then she incorporated poetry with her writings. Her poetry today as yesterday is still about life's' journey, personal experiences and spiritual rides. She has been nominated this year's International Poet of The Year. Her poetry is published with Poetry.com. Her CD Sai Chronicles Words From "The Spirit" Volume II, was inspired after receiving an Editor's Choice Award from The International Society of Poets. She then decided to write a book, Sai Chronicles Words From "The Spirit" Volume I, which is currently a work in progress. According to the reviews received by the international fellow poets, laureates and judges for her poems, four and five stars were given and is still being critiqued. See Poetryto view some of her work. Saida is phenomenal!!!! She writes about everything! She'll take you places. Just listen!!!!!!
