With influences like Delirious and David Crowder, Shawn has written a CD full of innovative worship songs that captures the heart of God.. 10 MP3 Songs GOSPEL: Contemporary Gospel, ROCK: Modern Rock Details: "My Life... My Love..." is an album that has been in the making for many years. Shawn has 8+ years of experience leading congregations into the presence of God around the country, and is currently the worship leader for the youth at Phoenix First Assembly, which is one of the largest Assembly of God churches in the country (8,000+ members). Shawn has a true gift being able to present an intimate and realistic view of God's never ending love for us and how worship goes way beyond just singing songs. Through His song writing "Shawn lays it all out on the line and holds nothing back". He takes you through a personal journey of life and his writing will relate to anyone who wants a deeper relationship with Jesus. Shawn wrote and produced every song on "My Life... My Love...", and has created a masterpiece that will pull out every emotion within you and leave you wanting more. It's definitely not an album you can categorize with the listen of just one song. Shawn has truly captured God's love and grace through his lyrics, which are honest and thought provoking. You will be touched and moved by each and every song on "My Life... My Love..." If you love praise and worship and your looking for something fresh and new, than this is a CD you must add to your collection.
