This cd has hits. It an example of what happens when a producer from the west and a rapper from the south meets in the studio. This album has a versatile feel and will grow on you with every listen. Tabb does not sound like any one artist. 17 MP3 Songs HIP HOP/RAP: Hardcore Rap, HIP HOP/RAP: Southern Style Details: San Francisco resident Tabb, a former semi-professional shooting guard, is scoring on the Bay Area hip-hop scene with his 17-track debut album The Coach, released by Czechmate Entertainment in summer 2006. Executive Producer Cooleys beats and production anchors New Orleans-born Tabbs sharp lyrics on The Coach. Cooley shoved away the norm on this album by adding image to the vocals and song themes through perfectly timed reverbs and delays. In particular: Track 7 In Tha Club, Track 2 Gangsta Rock, Track 11 Know My Name Track 3 Thuggn Or What Will appeal directly to your (listeners, demographics, audience- plug in the word that applies for example if it was a radio station it would be listeners or demographics, a venue would be audience) with its subject material and beats. Especially fans of artists such as, (insert artist name that person receiving this can identify such as Master P, Too Short etc) REVIEW OF ALBUM/SONG/OR PERFORMANCE For more information regarding Tabbs debut album or his up coming shows contact Czechmate Entertainments Executive Producers Clinton P.
