

## Mp3 The Dbc Band - Dbc

[DOWNLOAD HERE](#)

The DBC Band is an original, Northwest power trio that presents a diverse, modern rock and classic sound that the discerning listener wants to hear over and over. 12 MP3 Songs ROCK: Modern Rock, ROCK: Classic Rock Details: From the Great Northwest comes an original sound, The DBC Band. The band members are Paul Domitor, James Fletcher and Tom Stembridge, three creative musicians with diverse life and musical experiences. A power trio with a BIG sound, they are "The Real DB COOPER Band". The DBC Band plays highly energized music that pushes musical boundaries, but in a strong rock and rockin' blues groove. All songs are written by Paul Domitor, a very talented songwriter with intelligent lyrics and a heartfelt gift for creating music. Arrangements are by The DBC Band, and the CD is produced by the Sound Wizard, Wade Thames of Warped Records in Elk, WA. This CD includes a very cool 16 page booklet with all song lyrics, photos and other goodies. It is professionally manufactured by Discmakers as well, guaranteeing you great sound quality. Like in live concerts, the music of The DBC Band reaches for you, and the lyrics are for the thoughtful listener who loves to feel it. You will find several styles on this CD within the broader category of modern rock and drivin' blues, as well as soul, but there is much more than those boxes hold. It is a very unique CD offering from a talented band with a direct, powerful, "in your face" sound. The vocals are powerful and soulful, the guitar licks slash, the bass lines are unique and tasty and the drums give it that needed drive and explosion. The lyrics are inspired and will take you and yours where you need to be, as CD buyers from 11 countries can verify! To hear what so many fans are talking about, drop The DBC Band into your cart. Don't miss this opportunity to connect with the band. Paul will personally respond to every buyer of a CD, because you are ultimately who we want to touch. Feel free to share our music with other discriminating listeners like yourselves! Bring it to the world! The DBC Band welcomes reviews of each and every purchaser on this CDBABY

website. Check it out. Come and feel the energy...
