Best of both Worlds SOUTH FLAVOR/NORTH VIBE mix of bangin beats laced with hot rymes.IT'S A MUST HEAR FOR THE STREETS.....VA'S OWN....."THE FAMILY" 14 MP3 Songs HIP HOP/RAP: Southern Style, HIP HOP/RAP: Hip Hop Details: From the bottom to the top..... best describes the struggle we went through to make it to this point. I.T.Y Music was founded by Timothy Word a.k.a SONNY in April of 2000. In just 3 short years we have grown into more than just a label but a Family. In Aug. of 2001 the group now known as THE FAMILY was formed with only 3 members , SONNY ,SLUGGS, and L.C. and our first album "THE PACASO FAMILY " vol. 1 was released in January of 2002 which did very well in the Virginia area. But we felt we could do 10 times better on our next album which we quickly released 4 months later called "FAMILY REDEFINED" vol. 2. This album elevated us to small time stardom in the southern part of Virginia, and parts of North Carolina which brings us to where we are now, releasing our 3rd CD from our new recording studio with new artist including New York native Kiondra Sheppard, singer Diona Moore and a list of featured artists.
