blues roots infused rock n' roll 11 MP3 Songs BLUES: Texas Style, BLUES: Rockin' Blues Details: About "Tastes Like Love" ... This new CD really captures THE LIVE TVB SOUND! Preston Hubbard(ex Fabulous Thunderbirds Roomful of Blues bassist) described it best, while working on the project, "yeah man, it's the Fabulous Thunderbirds meets the Stones!" The goal for me, production wise, was to make it sound like my favorite records of yesteryear. All of those old Memphis studio recordings, all of the old Chess and Stax records sound warm, organic, and fat!! And you could really hear that natural room reverb! That's what I was going for. The most important thing is the songs! Along with some of my very own new songs, this is a collection of some of my favorite songs! There are no "fillers" on this record. Every song bumps! It's a rocker. Grab a cold one play it loud my friend! Peace Love, Tony Vega Tastes Like Loves (Blue Texas 004) - What tastes like love, you ask? Maybe the Tony Vega Bands home cooking on there third album. Vega is a fluid guitarist and a kick-ass Texas-twang blues singer, and he works with the cream here, including bassist Preston Hubbard. Vega tips his hat to the Red Devil's Lester Butler on a pounding cover of "Automatic," and indeed, if you've worn out your copy of King King, this record takes up where it left off. Exceptional in every way. - Jeff Calvin, Blues Review Houston Press Music Award 2001: "Best Blues" Houston Press Music Award 2002: "Best Contemporary Blues" Houston Press Music Award 2004: "Best Blues" "Must be something in the Lone Star state's water... where else do so many sizzling acts make their home? ...'Yeah You Right!' shows what the buzz over the Tony Vega Band is all about." - Blues Revue "Tony Vega is a monster!" - Billy F. Gibbons Founded in 1997, the Tony Vega Band has become one of the premiere independent blues rock acts in the world. This hot Texas act has forged their own brand of blues roots infused rock n roll. What makes the bands sound especially unique is Vegas relentlessly soulful guitar and one of the most unique velveteen voices to come out of

Texas in years. The hard driving, hip-shaking rumble is provided by longtime TVB drummer Jeremy "Honeyboy" Pierce and Gulf coast blues veteran bassist Larry "Lownote" Johnson. Find out what the buzz is all about!
