

Mp3 Tortuga - We've Made It This Far...

[DOWNLOAD HERE](#)

A musical landscape of electronic and organic beats, layered with deep bass, smooth synths, and an entire cast of musicians playing everything from violin to didgeridoo. 16 MP3 Songs in this album (67:18) !

Related styles: ELECTRONIC: Experimental, ELECTRONIC: Funk People who are interested in The Chemical Brothers Thievery Corporation Trans Am should consider this download. Details: Tortuga is the solo project of Sam Newbold. Influenced by the electronic music scene this is an experimental musical journey from beginning to end. Sam Newbold has played drums and synthesizers in bipolarbear, Trash-80, the Saber Tooth Tigers, and Sunsets Landscapes. Many friends were enlisted to play instruments on this CD for your listening pleasure. Enjoy.
