Sam Tyler is thrilled to discover that her lover is whisking her away for a weekend of exotic luxury. As a woman who knows just what she wants-her man all tied up like a living, breathing present-she's quick to take advantage of his generous mood and begins planning a surprise of her own. One she fears he's not going to like very much. Adam thought the biggest shock of the weekend would come courtesy of the diamond engagement ring he has stashed in his luggage. So he's rocked to the core when he discovers the petite woman he hopes to make his loving wife turns out to have a secret and very kinky side, and that she wants to see him helplessly bound for her pleasure. Even with mind-blowing sex as an incentive, it's a hell of a tough request for a man who's always in control-and Adam may not have the strength to surrender.Author: Black, Kat Publisher: Ellora's Cave Publishing Inc.
