

Thirty-three Teeth - Colin Cotterill

[DOWNLOAD HERE](#)

Thirty-Three Teeth by Colin Cotterill "A wonderfully fresh and exotic mystery."--The New York Times Book Review Dr. Siri Paiboun, one of the last doctors left in Laos after the Communist takeover, has been drafted to be national coroner. He is untrained for the job, but this independent 72-year-old has an outstanding qualification for it: curiosity. And he doesn't mind incurring the wrath of the Party hierarchy as he unravels mysterious murders, because the spirits of the dead are on his side-and a little too close by his side more often than he'd like. With the help of his newly-appointed secretary, the ambitious and shrewd Dtui, and Mr. Geung, the Down-Syndrome-afflicted morgue assistant, Dr. Paiboun performs autopsies and begins to solve the mysteries relating to a series of deaths by what seem to be bear bites, to explain why the government official ran at full speed through a seventh story window and fell to his death and to discover the origins of the two charred bodies from the crashed helicopter in the temple at Luang Prabang. As it turns out, not surprisingly, not all is peaceful and calm in the new Communist paradise of Laos. "A crack storyteller and an impressive guide to a little-known culture."--Washington Post Book World "The quasi-mystical story keeps a perfect balance between the modern mysteries of forensic

science and the ancient secrets of the spirit world"--The New York Times Book Review"Readers who were charmed by Cotterill's first novel, last year's The Coroner's Lunch, will be delighted to hear that his hero, the witty seventy-something Dr. Siri Paiboun, is back again.""Day to Day," NPRAuthor: Cotterill, Colin Publisher: e-reads.com Illustration: N Language: ENG Title: Thirty-Three Teeth Pages: 00000 (Encrypted EPUB) On Sale: 2009-08-17 SKU-13/ISBN: 9780759295292 Category: Fiction : Mystery & Detective - General
