

Defiant Spirits: The Modernist Revolution Of The Group Of Seven - Ross King

[DOWNLOAD HERE](#)

Beginning in 1912, *Defiant Spirits* traces the artistic development of Tom Thomson and the future members of the Group of Seven, Franklin Carmichael, Lawren Harris, A. Y. Jackson, Franz Johnston, Arthur Lismer, J. E. H. MacDonald, and Frederick Varley, over a dozen years in Canadian history. Working in an eclectic and sometimes controversial blend of modernist styles, they produced what an English critic celebrated in the 1920s as the most vital group of paintings of the 20th century. Inspired by Cezanne, Van Gogh and other modernist artists, they tried to interpret the Ontario landscape in light of the strategies of the international avant-garde. Based after 1914 in the purpose-built Studio Building for Canadian Art, the young artists embarked on what Lawren Harris called an all-engrossing adventure: travelling north into the anadian Shield and forging a style of painting appropriate to what they regarded as the unique features of Canadas northern landscape. Rigorously researched and drawn from archival documents and letters, *Defiant Spirits* constitutes a group biography, reconstructing the mens aspirations, frustrations and achievements. It details not only the lives of Tom Thomson and the members of the

Group of Seven but also the political and social history of Canada Author: King, Ross Publisher: Douglas & McIntyre Illustration: Y Language: ENG Title: Defiant Spirits: The Modernist Revolution of the Group of Seven Pages: 00504 (Encrypted EPUB) On Sale: 2010-09-25 SKU-13/ISBN: 9781553653622 Lib Category: Canada - History - 1914-1945 Lib Category: Group of Seven (Group of artists) Category: Art : History - Modern (Late 19th Century to 1945) Category: Biography & Autobiography : Artists, Architects, Photographe Category: History : Canada - General
