I have been working with music photography creating theme albums where the images music reflect each other. I call them musical 'sound panitings'. My music is guitar based influenced by the creative renaissance of the late 60's. I'm also influenced by surrealistic impressionistic painters. In both mediums I work with unique 'composition', 'perspective' 'mood'. Aug 2003 - #63 Album Playlist Spins I Once Was Me #75, Orbit #82
