Healthgiving Music of the Heart: Soothing and Uplifting Instrumentals. 12 MP3 Songs EASY LISTENING: Background Music, NEW AGE: Healing Details: "LOVE" is both calming and uplifting, perfect for an evening at home in the bath, or at work during a hectic day. These songs were written over two days, two very early mornings, rather, while everyone in the house was asleep. This is my first totally instrumental CD since 1995. Totally instrumental! Totally inspirational. LIVE IN LOVE - January 4, 2006 Diary Excerpt: Sept. 14, 2005 If in our lives we have not won the Nobel Prize, or have not accomplished great fortune--it's okay. But if we have succeeded in loving someone, even if just ourselves, or just one thing, we have accomplished so much! Loving means we have put aside our anger, we have put aside our fear, and we have looked into the heart of another living being. And when that person or thing becomes our reality, and we see in them a continuation of ourselves, then we have given all that we have to love. Love is the most important thing! Love transcends all types of barriers, removes obstacles, and brings us home to ourselves, our true selves, again and again. Thinking of you sweetly... Brian. ARTIST'S WORDS : When I was young I devoted my life to music, to helping people through playing and singing and writing songs. I'm very happy to return to my roots in instrumental music because sometimes words get in the way. Sometimes all we need is a gentle nudge from spirit to set us free. HISTORY : Brian lives in Las Vegas. He grew up in Seattle in the 80's and started producing concerts before he was ten years old. He's been working on various CD releases recently, and has released his first all instrumental, relaxation CD called "LOVE." Brian leads a meditation every Tuesday in Las Vegas and enjoys writing poetry and cooking soup. REVIEWS TESTIMONIALS : I heard Brian Kimmel sing and play piano and I was moved to tears within minutes, uplifted and awed. He is one of the most talented musicians I have encountered. He is also a beautiful spiritual being. And, he is only 24 years old. -Ellen Laura, Triumph Coaching
