Jazzy lounge with terrific lyrics - like a martini with an ironic twist. 23 MP3 Songs JAZZ: Jazz Vocals, JAZZ: Bebop Details: Who is this guy? Chicago ad man. Creative Director for a President of the United States. Produced Popeyes jingles w. Dr. John, the Neville's, Fats Domino, Jerry Lee Lewis and more. This is a collection of songs he wrote and produced from 1977 to 1983 - they're surprisingly hip and contemporary. Want to hear the songs? Go listen. Want to know more about Bruce? He's in three Studs Terkel books and you can Google him anytime. PS - His daughter, Jessica, is kind of cool, too. She wrote "Bring It On" and wrote and directed "Stick It!"
