A delectable mix of R&B, Pop Jazz influences. 13 MP3 Songs URBAN/R&B: Contemporary urban, URBAN/R&B: R&B Pop Crossover Details: Chase Martin is not your typical singer/songwriter; he is an artist whose desire is to relate to the listener through sharing his own experiences within the musical landscape he creates. Chase, a native of Oakland, California began his musical interests around age 5 Music was always a part of my everyday life since I can remember, I couldnt imagine existing without it in my life. Chase began auditioning for school musicals plays in addition to becoming a member of the world-renowned award winning Love Center Choir in the ministry of Bishop Walter L. Hawkins. Within his high school years Chase discovered an interest in songwriting which in turn served as a canvas for his thoughts and experiences Songwriting for me is my way to share myself with the listener, its like talking to a friend about situations we all can relate to. In 2004, Chase embarked on what would be the beginning of his pursuit of a career in a professional capacity. Chase co-wrote, Co-Produced along with co-collaborator Michael Witwer Executive Produced his debut project IntroducingChase. The project was a collage of the genres that had influenced Chase as a child to the point of developing his own musical tastes IntroducingChase was the realization of a dream, this project will always be special to me not only for the opportunities it provided but for the people who supported my first endeavor . Through his debut, Chase developed a loyal underground following as well as given opportunities to perform at various industry showcases, private performances meet a few of his musical influences All of these experiences have prepared me for what God has in his plan, and Im thankful everyday for every blessing With the recording and release of Chases sophomore project The Smokin Room for his True Recordings Group Imprint, Chase has once again worn Co-Production, Writing Executive Producer hats along with co-collaborators Thomas Cryor Brandon McFarland to create his latest work. The Smokin Room Is a

blend of Hip-Hop classic R&B that gives all those who supported IntroducingChase a closer look and listen to the world in which he resides and for those experiencing Chase for the first time the invitation to get to know him The Smokin' Room was a fun project to create, the process was exciting and creatively different. Chases musical influences range from Rock to Jazz, Luther Vandross, Aretha Franklin, Donny Lalah Hathaway, Beyonce Knowles, John Mayer, John Legend, Kanye West, Common, Whitney Houston, Lizz Wright, Sade Will Downing Are a few of the primary influences that have inspired Chase to create and pursue his passion Music is the truly the soundtrack to our lives, it is my hope to obtain a place among those who have made great contributions to the world in which we live
