Mp3 Dalo - Aqua Bar

DOWNLOAD HERE

Quality chilled beats running at 90bpm, crafted by pianist/producer virtuoso; electro/acoustic loops, lush orchestration and platinum sales. 10 MP3 Songs ELECTRONIC: Chill out, JAZZ: Acid Jazz Show all album songs: Aqua Bar Songs Details: Dale Nougher is a recognised Australian pianist/composer and record producer currently working in the chillout genre. Dale started playing keyboards and synths for successful touring bands in the 1970s and moved into the pop era of the 80s with an understanding of modern synth technology. Dale began developing his own sound canvasing techniques which has given him vast volumes of unique sound files of which his orchestral arrangements and piano performances see him pioneering ambient music in Australia. Aqua Bar is the forerunner in a series of recordings based around the emerging love of chill out in Australia. Dale has been promoting all of his albums at art and craft markets since 1987, currently enjoying the role as the Official Sydney Paddington Markets DJ.
