

Mp3 Deidre McCalla - Don't Doubt It

[DOWNLOAD HERE](#)

Originally released in 1987 on Olivia Records, this much loved first independent album by singer/songwriter Deidre McCalla has been re-mastered for digital download release. 10 MP3 Songs

FOLK: Modern Folk, FOLK: Folk Pop Details: When "Don't Doubt It" was released on Olivia Records in January 1985, Deidre McCalla boarded a greyhound bus with a backpack, an acoustic guitar, and a luggage cart of cassettes and lps to sell. Thus began the first tour and she's never looked back.

Re-mastered for digital release by MaidenRock Records, "Don't Doubt It" contains many of Deidre's most loved songs including the perennial favorite "Wake Me Up Gently." "DON'T DOUBT IT" IS NOW AVAILABLE ON ITUNES and will soon be available at other digital download outlets.
