CD/DVD combo. Where visual art AND music meet. Thirteen compelling soundscapes inspired by thirteen paintings co-created by the album's composers: Dwayne Rourke Teresa Wild. 13 MP3 Songs WORLD: World Fusion, NEW AGE: New Age Details: A SYMPHONY OF 13 MOONS is a co-creative tour de force uniting the multi-media artistic talents of Teresa Wild and Dwayne Edward Rourke. As an ongoing lifestyle choice these two artists set aside two to three days every New Moon for ritual co-creation of a painting that represents yet another stage in an ongoing journey of personal and social transformation they call The Lightning Path. On The Lightning Path, thirteen numbers and twenty hieroglyphs of the Mayan Sacred Calendar combine to constellate 260 distinct codes of transformation. A Symphony of 13 Moons reveals how Rourke and Wild were inspired by using these codes over the course of a Lunar year of 13 Moons. DVD 14 Movies uniting each painting with a compelling soundscape also created by the artists. A rare opportunity to journey deeply into an artistic body of work guided by the artists themselves. DOUBLE CD 13 Tunes: the complete symphony of musical soundscapes created by the artists to interpret their 13 paintings. BOOKLET The enclosed booklet contains artist commentary about each painting as well as an introduction to The Lightning Path and its archetypal symbolism. DVD Runtime: 1.6 hr DOUBLE CD SET Runtime: 1.5 hr.
