Sleepy, acoustic, mesmerizing and lovely 11 MP3 Songs in this album (32:32) ! Related styles: FOLK: Jazzy folk, POP: Folky Pop Details: Emilie Mover was conceived in Miami Beach, Florida at the Paradise Beach Hotel. She was born in Montreal on a snowy November evening. She grew up in Toronto and spent some time in New York City where she began singing jazz with her father, saxophonist Bob Mover. She later moved back to Toronto, where she began to play guitar and write songs soon after. She began playing them for an audience at age 20 at the Tranzac Club in Toronto and has been doing so ever since, recently having had the honor of opening for Richie Havens at Hugh's Room. Here are some of her songs, hope you enjoy them!
