Mp3 Gebrauche-musik - Preterition Aggregate

DOWNLOAD HERE

Sombre electronics, filled with soulful melodies and vocals 15 MP3 Songs ELECTRONIC: Industrial, ELECTRONIC: Pop Crossover Details: An electronic project driven by the emotional attachment that derives from music and in its purest form, fueled by complex melodies and vocals, Gebrauche-Musik has continued to evolve a style and method distinctly innovative and progressive. Continuing to improve the technique generously over the years since the humble beginnings of the late 1980's, the style has morphed yet remained on target with hard-hitting, dark vocals, orchestral electronics and a twist of traditional instruments.
