a collection of new age, popular, original, and easy listening classical works for solo piano 12 MP3 Songs
NEW AGE: New Age, EASY LISTENING: Mood Music Details: All my life I have felt closely attuned to the medium of music. In such a chaotic yet vibrant world, I often find solace in creating my own musical voice, the melodies that speak from my heart. Over the years of studying and performing music, I have discovered that sometimes complexity is not always best. Emotions can be easily moved by beautiful simplicity, soothing the soul. I believe my compositions inspire the listener, sending them on their own individual journey of human recollection, in the hope that their reflection will make the world a better place. . . Hana Janatova received a degree in Piano Performance from the University of Arizona in 1993. She has performed extensively throughout Arizona and Utah for the past thirteen years. Aside from performing classical literature, Hana likes to compose original works for the piano, as well as, perform works by new age and contemporary composers.
