Smith's second release is absolutely stunning! 11 Tunes of the heartfilled passion, musicianship and lyrical content that main-stream media is starving for. With guest artists such as Ben Barnes (Deadweight) Sam Bass (Deadweight), Micah Epps, Daniel Soto, Jason Schwartz (Boxcar Saints) and featuring Allison Lovejoy on "Let it Me", Trickle and Floods proves itself an exceptional work, a rollercoaster of diversity. Particularly ear-opening are Smith's nylon-acoustic works on "Lazy in the Grass" and "El Camino de Los Chingones" which paint soundscapes of serenity and spice.
