With a style all its own this compilation proves, that hip hop can still be ALL ABOUT THE MUSIC. 14 MP3 Songs HIP HOP/RAP: East Coast, HIP HOP/RAP: Hip Hop Details: This compilation put together by producer J. Greede is one of hip hops most provocative albums ever. With a production sound that has graced everything from local artists and radio to national television, J .Greede is able to bring the full potential out of the group of talent he has signed to his new record label GREEDE RECORDS. Such new talents include D. One, whos lyrical capabilities are set to exceed any expectations and Lace Payne the street veteran from Dorchester, Mass. who is able to captivate the listeners with his stories of real life. On the other side, J. Greede has enrolled a singer by the name of Paris Azelle, whos angelic vocals, compliment both the music and the artists she works with. Also included on this album are Boston Underground Legends O.V.M, a young'n by the name of Freston Flav(who has already developed his own style at the age of 15), and a concrete affiliate of the Greede Family, Evik. With a fresh new sound of production, the beats provided by J. Greede are as big a part of the music as the lyrics. With new sounds and styles the beats seem to be making their own path in this hip hop. His mainstream sound mixed with the talents of Boston and New York prove to be an ill combination of hip hop and R+B. BUY IT IT'S A CLASSIC!!!!!!!!!! For any info, beats or questions.....
