Haunting intricate soundscapes of a distant times in a Celtic style interpreted in modern times. Celtic slants to epic and intimate settings. From the lord of the marsh to a trip down a foggy road to a haunted hearth this album best played in long shadows 11 MP3 Songs NEW AGE: Celtic New Age, FOLK: Modern Folk Details: Current Albums by James Gray available at cdbaby: Ancient Journey King Crab Shaman Fallen From Grace Fallen From Grace is a mysterious and broody mix of soundscapes and rhythmic timbers. Ambient darkness with a Celtic edge. Tracks Fallen From Grace -- Conjures of feelings of the Deep South with melancholy overtones Lord of the Marsh -- Contemplative piece with expressive play on the melody Foggy Road -- My best attempt to describe driving along a foggy river bed at night from the passengers perspective Potatoes in the Stew -- Intimate, dark, comfort food, this pice will stick to your ribs and put a smile on your face. Funky Druid -- Starts out Funky but transforms to Druid Haunted Hearth -- All alone with your fire. The room is as disconcerting as it is cozy thats the mood here. Fallujah -- Experimentation with Middle east rhythms and textures Called Back -- Fusion of textures rhythms and genres very trippy Half Way Mark -- That point of no return, Did i make the right decision Enter the Courts -- Very celebratory piece. Cold Spot -- Goal here is to write the most disturbing, spine chilling dread producing, tingly piece i could imagine. If you have a dark side and like feeling uncomfortable you will like this piece
