Solo piano embodying the structure and elegance of classical, fusing with the passion and earthiness of jazz. 10 MP3 Songs JAZZ: Free Jazz, NEW AGE: Ambient Details: Jordan Oliver's love of the piano, in-depth study and artistic sincerity have led him to explore entirely new expressions of musical forms. Through improvisation, he has instinctively combined the qualities of the European classics, latin elements, jazz, and blues. What he has done in the process is created the beginnings of a completely new style of music the structure and elegance of classical, fusing with the passion and earthiness of jazz. His sense of harmonic balance, space and rhythm give him the ability to orchestrate melodic phrases in counterpoint using ninth, thirteenth and poly chords which pass gracefully with meaning, honesty and emotion. His impelling compositions are brought to life with extraordinary musical technique and original flair, demonstrating his affecting command of the instrument. Purely Piano is a dynamic solitary rendering of heartfelt original compositions delivered by a consummate artist. The blending of song-pieces, with their variations of style and tonality, embrace the range and dimension of this beautiful instrument hence the title Purely Piano. It is recorded on a Steinway 9Concert D Grand Piano.
