"Jules", is the first offering from his new record label based out of Shreveport, LA. His sound is reminiscent of Old School R&B with a modern day twist bringing you the heart ache and daily struggles of an individual living in the heart of the ghetto of Shreveport. Introduced to music at a young age, Jules quickly became a rising star in the community. He competed for the first time at a sixth grade talent show where he swept the competition taking first prize. From there the journey could not be stopped leading him to joining a group known as Ment2B. After appearing on 106th and Park, the group traveled to be featured on Showtime at the Apollo where Jules and the rest of Ment2B won six straight times before gracefully stepping down and passing the torch to Lyfe Jennings. Shortly after, Jules decided to follow his dreams of being a solo artist. After many years of failed contracts and broken promises from record companies, he decided to join the United States Air Force to care for his wife and daughter. After a short stint of active duty he again strived to be a solo artist. Forming MyWorld Entertainment was the beginning and the first product is the debut album from Jules! With a strong support structure within the company and in house ability to make a formidable master mix, MyWorld Entertainment is proud to present the next legend of R&B, Jules!
