

Mp3 Nealon - Cleaning Up My Act

[DOWNLOAD HERE](#)

Finally, the eclectic and rootsy singer-songwriter releases this long-time-coming album that journeys from old-time through swing to Caribbean but never strays far from thoughtful. 10 MP3 Songs FOLK: like Joni, FOLK: Traditional Folk Details: Nealon's music has an evening-on-the-back-porch feel to it. Natural and live sounding, the textures of guitar and harmonica, plunky old-time banjo, mandolin and fiddle range from soothing to provocative. Soulful, but not overwrought, it's the guy next door tossing around ideas with you. Serious and wry all at once--an eclectic mix that works on you.
