Soothing original lullabies and songs for babies, children and adults of all ages. Perfect music to fall asleep to, written and performed by a mother who refuses to listen to Barney one more time. 7 MP3 Songs KIDS/FAMILY: Lullabies, EASY LISTENING: Soft Rock Details: A "must buy" for parents who cannot stand to hear another Barney song. This cd of original lullabies written and performed by Nicole Nehama Auerbach, with the help of other musicians, is just the thing to play to get your children to fall asleep. They will listen to it over and over. It is also extremely popular with adults who enjoy soulful ballads backed by piano and acoustic guitar. The cd is dedicated to the artist's three sons (only two of whom existed at the time of the release) and represents the culmination of a long-time goal for this songwriter/lawyer/mom. Written almost entirely at the Ragdale Foundation artist's colony in Lake Forest, Illinois (Ragdale.org), the cd is perfect for a new baby gift. This will be one cd that you don't mind hearing over and over again.
