Soundscapes that are musical mosaics, interweaving themes of various genres from classical to jazz fusion to new age, smoothly interacting and presenting the listener, in concert form, an artistic sonic odyssey. 15 MP3 Songs NEW AGE: New Age, JAZZ: Jazz Fusion Details: The Journey continues... As in riding varied ocean currents, experience the "mix" of these original works of diverse musical genres which are intended to allow the listener to traverse interesting sonic eddies in a sitting. Underpinning many of these pieces are polyrhythmic percussive inclusions. Some place emphasis on the interplay between congas and contemporary drumming, while others offer refreshing duets between such instruments as violins and drums, congas and bass, and didgerido and congas. This CD is part of the musical mosaic tm series and sequel to "eclectic" [2003], presenting, in concert form, pieces that collectively allow an artistic sonic odyssey.
