"A Weezer-esque grunge-pop band that proves the idea of rock and roll music as a mathematical formula: the right hook and the right combination of loud and quiet...yield pure sonic sugar that no one can resist."

-Listen.com 13 MP3 Songs POP: Power Pop, ROCK: Emo Details: The opening track 'Cannonball' was a top-ten finalist for "Best Rock Song" at the JOHN LENNON SONGWRITING CONTEST, which draws over 20,000 submissions per year nationwide. Their crunchy-groove version of Queen's 'We Will Rock You' also appears on PopSquad Records' "1978" compilation, featuring other artists such as Linus of Hollywood, Supremum and Ridel High. With their combination of spacey ballads, sonic walls of "hard pop" and a contagious vibe for the unpredictable, Random, Inc. has headlined Austin's South By Southwest Festival as well as Hollywood's The Viper Room, The Roxy, The Whiskey and many more.
