Electronic/IDM/Hip Hop music from Texas based indie record label, Exponential. 20 MP3 Songs

ELECTRONIC: Experimental, ELECTRONIC: Down Tempo Details: First take a multimedia artist, a teacher, a Buddhist, and a half El Salvadoran half Nicaraguan, all of whom are from Texas and then tell them to make a CD. The product would be Collapsing Culture. In total, there are 5 artists represented on the CD: Aether216, A.M. Architect, Darby, MNolo, and Theory of Everything. The 20 tracks on the CD s are as diverse as the artists who made them. Collapsing Culture is a rare gem from the Dirty South that defies being easily categorized and forgotten.
